x _____

x _____ **Treatment:** Your treatment provider will discuss your specific treatment needs. The recommended number of treatments is 4. The treatment is typically about 20-30 minutes per session, with sessions separated by 5 to 10 days for HIFEM+RF Advance/Gentle protocol or 2-3 days for HIFEM Classic protocol. Completing a full treatment series is necessary to maximize treatment efficacy. You may need additional treatments, depending on your goals.

x _____ Before the treatment, no unusual preparations are required; however, keeping your body well hydrated is strongly recommended. On the day of the treatment, you are advised to wear comfortable clothing that allows flexibility for correct positioning during the treatment. To avoid excessive sweating, the treated area should be shaved, or hairs in the treatment area should be trimmed before the treatment. Also, the treated area will be wiped with alcohol wipes before treatment to remove any moisture, perfume, moisturizers, or oils. You will be asked to remove all metallic accessories and electronic devices

x _____ I acknowledge that a successful treatment outcome can be affected by smoking, excessive alcohol consumption, eating disorders, or ongoing medication. While no special diet is required, you are encouraged to eat healthy to help promote and maintain results.

x _____ The treatment does not require anesthesia. During the application, you will feel intense muscle contractions and a heating sensation in the treated area. It is important to note that during the treatment the heating sensation may be intense, but it should never be painful. Please ask your provider to re-adjust the intensity should you feel any pain or discomfort. The procedure doesn't require any recovery time. Typically, you can get back to your daily routine right after the treatment.

Treatment Considerations

- I am aware that the treatment cannot be applied over the head, neck, spinal cord, heart or testes.
- I am aware that the treatment cannot be applied over swollen or neoplastic tissues, space occupying lesions, or skin eruptions.
- I am aware that pregnancy is contraindicated, and pregnant women cannot undergo the treatment.
- I am aware that as is the case with every heat-based therapy, in rare cases, burns can occur.
- I am aware that the applicators should always be in direct contact with the skin. **I am aware that treatment should not be applied over clothing or scar tissue.**
- I understand that there are certain side effects associated with EMSCULPT NEO treatments. The side effects may include, but are not limited to muscular pain, intramuscular fat decrease, temporary muscle spasm, temporary joint or tendon pain, local erythema or skin redness, increased menstrual flow in female patients and panniculitis.
- I understand that the treatment over injured or otherwise impaired muscles is contraindicated.
- I understand that the treatment may involve risks of complications or injury from both known and unknown causes, and I freely assume these risks.
- I agree to before and after treatment photographs, measurements and weighing, as this will help for medical evaluation of the results of the treatment. Information will be acquired for medical records or marketing purposes.
- I understand the results may vary from person to person and that an exact result cannot be predicted. Completing a full treatment series is necessary to maximize treatment efficacy. It is very unlikely, but it is possible that you will not feel any recognizable result after the procedure. I acknowledge the results may not meet my expectations.
- I certify that I have read this entire document and that I agree with all provisions. I certify that I have had the opportunity to ask questions and these questions have been answered in full to my satisfaction. I fully understand the treatment conditions, the procedure, and possible side effects*.
- I have read the above information, and I request and give my consent to be treated with the EMSCULPT NEO by the physician(s) in this practice and his/her designated staff. I
